

Effective July 1, 2022:

# CARE OF STUDENTS WITH EPILEPSY & SEIZURE DISORDERS BILL

The Care of Students with Epilepsy or Seizure Disorders bill requires schools to implement an individualized seizure action plan (ISAP) prepared by the student's physician. The ISAP informs school personnel of the unique health care services required by the student and how to respond in emergency situations.

## SCAN OR DOWNLOAD:

Use your phone to scan the QR code, or visit [EpilepsyAllianceFL.com/DigitalResources](https://EpilepsyAllianceFL.com/DigitalResources) to download your ISAP.

**TIP:** Bring your ISAP to your child's next doctors visit, just like you would for their yearly school physical examination
